

# St Dunstan's Catholic School

Drayton Road, King's Heath, Birmingham, B14 7LP

*As we grow with God, we learn from each other.*

## Science

### Vision and Principles

- We aim to develop children's natural curiosity.
- Children are encouraged to ask and answer questions; and to explore and understand the world that they live in.
- Children are engaged in what they are learning.
- Children understand and use scientific vocabulary.
- Children have opportunities to develop skills in working scientifically.
- Children learn about important scientists who have shaped our world.
