

Year 2 Parent Inspire Workshop – Reading
19th November 2024

1. 100% said they found the workshop useful
2. 100% said that they enjoyed working with their child
3. What did you enjoy about the event?

Seeing how able my child is and what the expectations are for the amount of reading is required in a assessment for someone of his age.

I thought it was engaging and useful at the same time. really enjoyed it too!

It was lovely to work with my child and see something of the things he's doing in class so I can help him at home

It was welcoming and a relaxed environment.

Learning with my child in school environment

Seeing how they learn.

to see what my child is working on within his year group

Working with my child at school & learning about the work they are doing

St Dunstan's Catholic Primary School

4. What can we do to improve next year?

It would be good to learn the maths methodology that the children are taught so I can better support maths homework

Just do the same today was excellent. Well done

Nothing it was lovely

nothing your all doing an amazing job with the children so thankyou !

School response:

Thank you for your valuable feedback on the Year 2 parent workshop. It is wonderful to know that many of you found the session engaging and helpful, and that it helps you find out more about how and what your child is learning.

We also appreciate your suggestions, such as providing more insight into the maths methodologies we use, to better support learning at home. Your comments help us refine future workshops, and we're committed to building on this success to further support our pupils and families.
