School response:

Thank you for your feedback on the SATs workshop. We're pleased to hear that you found the session helpful in understanding the Year 6 curriculum and SATs process. We appreciate your suggestions for more examples, and we will explore ways to address these. Regarding printed materials, we've decided to prioritise digital resources to reduce paper waste in line with Pope Francis' call for us to live simply and protect the environment. We're grateful for your continued support.
