As we grow with God, we learn from each other

Monday 1st December 2025

Dear Parent/Guardian,

Christmaths Day at Bishop Challoner Catholic College – Thursday 11th December 2025

Your son/daughter has been selected as one of five students in Year 5 invited to take part in **ChristMaths Day** at Bishop Challoner Catholic College on **Thursday 11th December**.

The day will consist of a variety of mathematical challenges based around the theme of Christmas and will enable your son/daughter to further enhance their problem-solving skills, along with communication and teamwork skills. They will be working with Year 5 children from other schools on a series of mathematical games, designed by students from Bishop Challoner Catholic College.

Your child will need to arrive at St Dunstan's at the usual time. They will go across to Bishop Challoner after registration and will return to their class before the end of the school day. Your child will need a packed lunch and perhaps a light snack for break time. They will need to wear full school uniform.

If you would like your son/daughter to take part in the day, please complete and sign the permission slip attached and return it to me by **Friday 5th December**.

In order to promote this work, photographs/video may be taken by Bishop Challoner Catholic College. I would be grateful therefore if you could give permission for your son/daughter to be photographed or filmed if he/she is asked, or if he/she is captured in the background of a shot.

Mrs V Campbell
