Dear Parents

Emergency Childcare w/c Monday 6th April and w/c Monday 13th April.

Thank you for completing the emergency childcare survey. With a heavy heart, I have made the decision to close school for week commencing Monday 6th April and Monday 13th April.

The results of the survey indicate there is not enough demand to warrant opening school during this period.

School will re-open to provide emergency childcare for critical workers from Monday 20th April.

Yours sincerely,

J A Kenny
Head Teacher
