

## ST DUNSTAN'S R.C. J & I PRIMARY SCHOOL

# School Internet Acceptable Use Agreement KS1

These rules have been written to make sure that you stay safe when using any ICT, in school. This includes cameras, iPads, laptops and microphones too. When using ICT in school, you have agreed to follow these rules.

Your teacher will talk about these rules before you sign them and a copy will be sent home to your parents. If you have any questions, please ask your teacher or Mrs Taylor (ICT Coordinator).

### The Golden Rule: **Think before you click**

I will only use the Internet, in school, when an adult is with me.

I will tell a teacher if I see something that upsets me.

I will be polite when talking to people or writing online.

I will think before I print or delete.

I will be careful when using or carrying equipment.

I will keep my password secret, but I can tell my family.

I will log off properly before closing the lid of the laptops.

I will only share pictures that I would share with my family.

I won't tell anyone any personal details like my phone number, address or last name.

I won't login using someone else's username.

I won't put water bottles on the table when using ICT.

I understand the above rules and agree to follow them. I understand that if I break the rules, my access to the Internet and school ICT may be stopped.
