All items must be clearly labelled

Please find above details of St Dunstan's School uniform. Please adhere to this when buying uniform during the holidays for the Autumn term.

The Department of Education require **all children** to participate in PE as a compulsory part of the curriculum. It is necessary therefore for all children to have a PE kit in school at **all times** in order to access the curriculum. PE kit will be brought home during holidays to be washed then returned on the first day back to school.

No jewellery other than a watch and a single pair of small gold/silver stud earrings may be worn to school. Children will be asked to remove all other items.
Long hair must be tied back at all times for hygiene reasons. Extreme hairstyles are not permitted.

Please ensure that your child's uniform, PE kit and coat are clearly labelled with their name. 90% of lost property in school is not labelled which makes it very difficult for our lost property monitors to return items to their owners.
