

Year 2 weekly plan

Date: 30.03.20 - 03.04.20

Monday	<p>Spellings – will be sent via the MarvellousMe site</p> <p>English –Imagine you are a sea creature! Write a letter to humans explaining the problems that plastic pollution in the oceans is causing you and your friends.</p> <p>Maths – addition and subtraction. If you are able to access Twinkl, they have a year 2 Maths Addition and Subtraction Home Learning Activity Booklet which can be downloaded and used during this week.</p> <p>RE – Palm Sunday – using either a Children’s Bible, or the internet, read about this event. This year Palm Sunday is Sunday 5th April and marks the beginning of Holy Week.</p> <p>Reading – Set time each day to read for enjoyment. What you read is up to you.</p>
Tuesday	<p>English – Find information about a sea creature and create a fact file. Remember to use a title, sub-headings, a picture and sentences.</p> <p>Maths – Continue with addition and subtraction.</p> <p>RE – The Last Supper – Find out what Jesus did and said at The Last Supper when he washed the feet of the disciples. Twinkl has a KS1 PowerPoint called Maundy Thursday Information PowerPoint, or read from a Children’s Bible.</p>
Wednesday	<p>Topic – create a model of a sea creature or an underwater scene.</p> <p>Maths – Continue with addition and subtraction.</p>
Thursday	<p>Science – Find out about microhabitats, where minibeasts live. This could be by exploring your garden, or an outdoor space to see what is living under and on the things in your garden.</p> <p>Maths – Continue with addition and subtraction.</p>
Friday	<p>Spelling test!</p> <p>Art – continue with your model.</p>
